

# Getting started with the Libby app

## **Android, iOS (iPhone/iPad/iPod touch), and Windows 10.**

Our new [Libby app](#) is the easiest way to get started with digital books and audiobooks from your public library. Libby is available for Android, iOS (iPhone/iPad/iPod touch), and Windows 10.

***Note:** Do you belong to a school or non-public library, or have a device that's not compatible with Libby? Use the [OverDrive app](#) to borrow and enjoy digital titles instead.*

### **Step 1**

Install the Libby app from your device's app store.

- [Apple App Store](#)
- [Google Play](#)
- [Windows Store](#)

### **Step 2**

Open Libby and find your library. You can search by library name (Salem Township Public Library), city (Morrow), or zip code (45152).

### **Step 3**

Browse your library's collection and borrow a title. When prompted, sign in with a valid library card.

### **Step 4**

Borrowed titles appear on your **Shelf** and download to the app automatically when you're connected to Wi-Fi, so you can read them when you're offline.

From your **Shelf**, you can:

- Tap **Open book** or **Open audiobook** to start reading or listening to a title.
- Tap **Actions** to see options like **Return**, **Renew**, or **Send to Device** to send a book to Kindle (U.S. libraries only).

If you need more help with Libby, please visit [Libby Help](#). Happy reading!
