

Getting started with the OverDrive app

If you belong to a public library and you're just getting started with OverDrive, we recommend trying our new app, Libby. Libby is the easiest way to borrow and enjoy digital content from your library, and is available for Android, iOS (iPhone/iPad/iPod touch), and Windows 10. [Learn more about Libby here.](#)

You can use the OverDrive app to borrow and enjoy digital titles from your library or school. The OverDrive app is available for Android, Chromebook, iOS, Kindle Fire, and Windows 8/10.

Step 1

Install the OverDrive app from your device's app store or from app.overdrive.com.

- [Apple App Store](#)
- [Google Play](#)
- [Amazon Appstore](#)
- [Chrome Web Store](#)
- [Windows Store](#)

Step 2

Open the OverDrive app and follow the prompts to sign in (or sign up) using your library card, Facebook, or a free [OverDrive account](#). [Learn which sign-in option is right for you here.](#) See page 2

If you're under 13, you can [use one of the under-13 sign-in options](#).

Step 3

In the OverDrive app, find **Salem Township Public Library** digital collection (see specific steps for [Android/Kindle Fire](#), [Chromebook](#), [iOS](#), or [Windows 8/10](#)).

Once you've found it, click or tap the collection name to start browsing. This will also automatically save the collection to your library list in the app.

Step 4

Borrow a title (you'll need to [sign into Salem Township Public Library digital collection](#) to complete this step).

Step 5

Once you've borrowed a title, select  to go to your **Loans** page and see your options for the title. From there, you can:

Select **Read now with Kindle** (U.S. only) to [complete checkout on Amazon's website](#) and send the book to your Kindle device or Kindle reading app.

Select **Download** to download EPUB eBooks and MP3 audiobooks to the app **Bookshelf**.

Select **Add to bookshelf** to add [streaming videos](#) to the app **Bookshelf** (Android and iOS only) or **Watch now in browser** to open them right in your web browser (most other devices).

Select **Read now in browser** to open [read-alongs](#) or [MediaDo Reader](#) eBooks right in your web browser.
