COSI LEARNING LUNCHBOXES feed your child's hungry mind!

Ignite your child's learning and launch a successful start to the new school year with a **COSI LEARNING LUNCHBOX Water Kit!**

The **LEARNING LUNCHBOXES** are filled with five days of engaging science activities targeted for grades K-8th. All materials needed to complete the activities are included and the interactive content is tied to Ohio Learning standards.

100 water-themed Learning Lunchbox kits were generously donated to Salem Township Public Library through the partnerships of the Center of Science and Industry (COSI), and the Ohio Library Council.
